RE: 2006 Midyear Lobbying Report for
Arthur A. Chapa - House #32038000 & Senate ID # 8885

Dear Sir/Madam:

One July 29th my husband, Arthur A. Chapa and I are leaving the Country for approximately six weeks. We will return around the 15th of September. I have been attempting to file the aforementioned reports electronically. However, I have not been able to sign them digitally. After opening each saved form with Internet Explorer and going to form completed, I click on the signature tab then right click on signature area, sign form. I then enter the Privacy Code. (Going to the tab is the only way I could get to the sign form screen) A message appears that says the forms were signed and the information in the signature tab gives me a signature valid message with a time and date for each signature but the form itself remains unsigned. I spoke at length with Steve Pingeton in the Legislative Resources Office. After several unsuccessful attempts at solving the problem, he suggested that I submit a printed copy of each report to both the House and Senate and call him when I return in September. Upon my return we will continue working on this problem and I will file all reports electronically as soon as possible. I hope this is an acceptable temporary solution.

I have attached printed filings for: Town of Marana; Marana Health Center; Northern Arizona University; Pima County Board of Supervisors and Pima Community College.

Thank you.

Sincerely,

Lynette B. Chapa
