Re: Lobbying Report—Tronox Incorporated

Dear Secretary of the Senate:

Enclosed is the mid-year lobbying report for Tronox Incorporated. We recently mailed an amended Lobbying Registration form to your office changing the effective date of registration from August 14, 2006 to April 24, 2006—the date of our first lobbying contact. We are awaiting receipt of our Senate ID so that we will be able file future reports electronically.

For your information, Tronox Incorporated became an independent, stand-alone company when it separated (through an Initial Public Offering) from Kerr-McGee Corp. earlier this year. I was not aware that Tronox was required to register and file reports under the Lobbying Disclosure Act until August 14, 2006-the date the mid-year reports were due. Since that date, we've filed our registration papers (including an amended registration), obtained a digital signature so that we will be able file reports electronically and are now submitting our initial report. Although we are almost two months late in filing this report, I hope you understand the circumstances generating the delay.

Please let me know if you have any questions or need additional information.

Sincerely,

Mark VanLandingham
