Re: Previous Lobby Registrations

Dear Sir/Madam:

It has been brought to my attention that there are several of our clients who have change ownership/names in the past year and are still listed as separate entities under our clientele list in your lobby report database. I wanted to be sure that all of our documentation had been turned in correctly and in case it has not, I have resubmitted copies for your records and my own.

I apologize for just now recognizing the errors made on our end and hope that the following documents will rectify all mistakes and confusion. Please do not hesitate to contact me via mail, phone, or email if there are any more questions. I have listed the companies who are recorded twice below and the new amended registration forms are attached. Thanks again for your assistance in this matter.
