To Whom It May Concern:

I'm trying to file our organization's lobbying report but it is my first time doing so as my lobbyis has taken another job elsewhere. I've run into many snags trying to use the IBM software and fc over the past couple of weeks. I have been in Louisiana all week for our annual meeting and wh have been able, with your staff's kind assistance, to complete the content of the Report, I have n been able to digitally sign the document. I have tried the suggestions of your staff but it appears my laptop does not have my digital signature stored on it, and when I emailed the form to my of computer in D.C. and then accessed that computer remotely, it does not recognize and cannot o the IBM document.

I'm attaching the report with a facsimile of my signature and would ask that you accept the document in your system, and that you please forward it to the Secretary of the Senate. When I return to my office I will be happy to troubleshoot the digital signature process and send in a fol up filing, if that would be acceptable.

Thank you for your consideration,

David G. Schulke
