Hollister H. Cantus
Rodney Coleman
Cynthia Colenda (she is a consultant, not an employee)
Michael Crye
David Dye
Rodney Emery
Mary-Litton Fowler
Lisa Hall
Regina Hardy
Dana Hudson

Beth Lewis
Alfonso Lopez
Sylvester Lukis
Robert Moller
John A. Moran
Kathy Jurado Munoz
Jeff O'Neill
Suzanne Palmer
Marissa Peden

Adam Shepherd
Tim Stroud
Alana Weinstein

I don't even know most of the above named people, but what I did was search the Senate's online every name that was listed as active on your list. I put together a list of client names that pulled up person. I looked on each client that is still active with Alcalde & Fay to see if the person was termi or not. In a lot of cases, the person was terminated properly on line 23 of reports. If the person w terminated on line 23 of past reports, I added them to line 23 of the upcoming 1st quarter 2008 rep were many cases where the online database search returned results that seemed inaccurate. For searched for Person X's name on the database, some reports may have been returned in the resu person wasn't listed anywhere on. In that case, I did not add the person's name to line 23 on the quarter 2008 reports.

I can give you further details for each individual person if you need. Please let me know if I have
